## Duty to Avoid Unnecessary Costs of Service of Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain parties to cooperate in saving unnecessary costs of service of the summons and complaint. A defendant located in the United States who, after being notified of an action and asked by a plaintiff located in the United States to waive service of summons, fails to do so will be required to bear the cost of such service unless good cause be shown to its failure to sign and return the waiver.

It is not good cause for a failure to waive service that a party believes that the complaint is unfounded, or that the action has been brought in an improper place or in a court that lacks jurisdiction over the subject matter of the action or over its person or property. A party who waives service of the summons retains all defenses and objections (except any relating to the summons or to the service of the summons), and may later object to the jurisdiction of the court or to the place where the action has been brought.

A defendant who waives service must within the time specified on the waiver form serve on the plaintiff's attorney (or unrepresented plaintiff) a response to the complaint and must also file a signed copy of the response with the court. If the answer or motion is not served within this time, a default judgment may be taken against the defendant. By waiving service, a defendant is allowed more time to answer than if the summons had been actually served when the request for waiver of service was received.

## STATEMENT

Plaintiff, Terrell Jones (#2007-0057770), currently in custody at the Cook County Department of Corrections, has brought this *pro se* civil rights action pursuant to 42 U.S.C. § 1983. Plaintiff asserts that the defendants, Cook County Jail Officers Dahmen (Star number #188), Sgt Krauskopf (#895), and Correctional Officers Hawkins, Monroe, Harris, Phipps, Scott, Michas, and Diaz used excessive force against plaintiff on September 16, 2005, after plaintiff had been beaten by other inmates.

Plaintiff's motion for leave to proceed *in forma pauperis* is granted. Pursuant to 28 U.S.C. § 1915(b)(1), the plaintiff is assessed an initial partial filing fee of \$3.40. The trust fund officer at plaintiff's place of confinement is authorized and ordered to collect the partial filing fee from the plaintiff's trust fund account and pay it directly to the clerk of court. After payment of the initial partial filing fee, the plaintiff's trust fund officer is directed to collect monthly payments from the plaintiff's trust fund account in an amount equal to 20% of the preceding month's income credited to the account. Monthly payments shall be forwarded to the clerk of court each time the amount in the account exceeds \$10 until the full \$350 filing fee is paid. All payments shall be sent to the Clerk, United States District Court, 219 S. Dearborn St., Chicago, Illinois 60604, attn: Cashier's Desk, 20th Floor, and shall clearly identify the plaintiff's name and this case number. Plaintiff will remain responsible for this payment obligation, even if transferred to another facility, and the trust fund officer at the Cook County Jail shall notify authorities at any transferee facility of any remaining balance on the filing fee owed by plaintiff.

**STATEMENT (continued)**

Under 28 U.S.C. § 1915A, the court is required to conduct a prompt threshold review of the complaint. Here, even accepting plaintiff's allegations as true, the court finds that plaintiff has no federal cause of action with respect to Sheriff Michael Sheahan. Plaintiff alleges neither any personal involvement by this defendant nor a custom or policy rising to the level of a constitutional deprivation to support a claim against Sheahan in his official capacity. See *Perkins v. Lawson*, 312 F.3d 872, 875 (7th Cir. 2002). Sheahan is therefore dismissed as a defendant, and he is terminated as a party to this action.

Plaintiff may proceed with his excessive force claims against the other defendants. Although a more fully developed record may establish that plaintiff's claims are without merit, the remaining defendants must respond to plaintiff's complaint.

The clerk shall issue summonses forthwith and send to plaintiff a Magistrate Judge Consent Form and Instructions for Submitting Documents along with a copy of this order.

The United States Marshals Service is appointed to serve the defendants, Cook County Jail Officers Lt. Dahmen (Star number #188), Sgt Krauskopf (#895), and Correctional Officers Hawkins, Monroe, Harris, Phipps, Scott, Michas, and Diaz. Any service forms necessary for plaintiff to complete will be sent by the Marshal as appropriate to serve these defendants with process. The U.S. Marshal is directed to make all reasonable efforts to serve the defendants. With respect to former jail employees who no longer can be found at the work address provided by the plaintiff, Cook County Department of Corrections officials shall furnish the Marshal with the defendant's last-known address. The information shall be used only for purposes of effectuating service [or for proof of service, should a dispute arise] and any documentation of the address shall be retained only by the Marshal. Address information shall not be maintained in the court file, nor disclosed by the Marshal. The Marshal is authorized to mail a request for waiver of service to the defendants in the manner prescribed by Fed. R. Civ. P. 4(d)(2) before attempting personal service.

The court denies without prejudice plaintiff's motion for the appointment of counsel. Though civil litigants do not have a constitutional or statutory right to counsel, a district court may, in its discretion, "request an attorney to represent any person unable to afford counsel." *Gil v. Reed*, 381 F.3d 649, 656 (7th Cir. 2004), citing 28 U.S.C. § 1915(e)(1). However, plaintiff's case currently does not involve complex issues, complex discovery, or an evidentiary hearing, and plaintiff's complaint demonstrates his competence, at least at this stage of the proceeding, to present his claim adequately. Accordingly, the motion for counsel is denied at this time. *Pruitt v. Mote*, 503 F.3d 647, 656-59 (7th Cir. 2007).

Plaintiff is instructed to file all future papers concerning this action with the clerk of court in care of the Prisoner Correspondent. Plaintiff must provide the original plus a judge's copy of every document filed. In addition, plaintiff must send an exact copy of any court filing to the defendants [or to defense counsel, once an attorney has entered an appearance on their behalf]. Every document filed must include a certificate of service stating to whom exact copies were mailed and the date of mailing. Any paper that is sent directly to the judge or that otherwise fails to comply with these instructions may be disregarded by the court or returned to plaintiff.

On Sept. 16<sup>th</sup> 2005 at 9:30pm while being a detainee in C.C.T. Div. 11 Tier  
AD Cell Lower 10 I Terrell Jones was in segregation and was not far from  
out of my cells along with cells Lower 11 & 12. When about 11-14 other inmates  
who had jammed their cell doors to come out unauthorized by officers  
were all in lower 3 cell came out to attack me with "Shanks" These  
are man-made sharpened metal objects from the light fixtures and  
or metal rods taken out of the chockholes of the cell doors. I was  
Fighting for my life the other inmates from cells 11 & 12, whose names  
are Tyrion Smith and Terrance Scroggins (from cell 12) tried to aide me cause  
I was cornered by this mob into the bathroom and shower. They  
also finally got the attention of the officers who were all in  
the hallway out of site including the Sgt. Michael who was working  
over tier. I suffered lacerations and punctured wounds, about my  
arms, head, shoulders and through my left hand. When officers  
Hawkins and Monroe came on the tier all the inmates ran back into  
their cells and started to flush the objects down the toilets for disposal  
As other officers responded I was laying on the floor covered in blood  
and injured but the officers came running in and began  
punching, kicking, and stamping on me all the while "I'm stating

"I'm the Victim" and "I'm injured." Other inmates were yelling out of their cells the same thing. The officers then started yelling stop resisting, but how was it when I had a knee in my neck, my injured arm twisted, Officer Michas standing and stamping on my left hand, Officer Phipps punching me in my face while other officers are pounding about me excessively. Lt. Daltanen started to yell, "the nurses are here, Nurses Here." Then Sgt. Krauskopf started, "yelling Nurse on Deck" repeatedly, all the while I'm saying ~~I~~ can't breathe I'm not resisting, I'm going to sue. The officers saying how much you want, counting 1 million, 2 million, as they continued to punch me. The Sgt. Krauskopf had to physically run over and push Col Diaz, Cpl Scott, Phipps, Harris etc. all of them off me saying the nurses are out there. I was then allowed to be seen by Nurse, taken to dispensary then to Cermak, then to John Stager County Hospital myself, 3 emergency who suffered a fractured wrist or thumb, and 2 of the attackers. But before taken to Cermak I was interviewed by detectives who were trying to convince me I couldn't sue or press charges cause he claims I was out when it wasn't my hour. He checked the officers log sheet but in fact the officer had let cell be fore stay out a 1 hour extra, then let out my cell 10 & 11. Cell 12 were his workers so they were allowed out. I didn't receive a ticket for being out. One week before this AD-Tier was shook down and searched by officers they found numerous of sharpened, and unsharpened metal also damaged floors including broken light fixtures in cells where the metals came from and some ~~in~~. ~~in~~: Inmates received tickets. But the lights were not fixed. For further prevention of destruction to get more metal from them.
